In accordance with our organization's bylaws, specifically Article V, Resolutions, notice is hereby given of proposed resolutions that have been accepted or denied by the Executive Board at our annual convention to be held on Saturday, February 16 from 8:00a.m. to 11:00a.m. at the Northampton Valley Country Club at 299 Newtown-Richboro Road, Richboro PA 18954

The following resolutions have been recommended for approval by the BCATO Resolution Committee

- **Resolved**, that PSATS supports legislation restoring municipalities ability to adopt and collect a mercantile of business privilege tax in Townships that specifically elect to adopt such tax. **(Submitted by Warrington Township)**
- **Resolved**, that PSATS supports legislation that requires a licensed real estate agent to disclose the municipal zoning and what is allowed within 1000 feet of a property to prospective purchaser. **(Submitted by East Rockhill Township and Upper Makefield Township)**
- **Resolved**, that PSATS supports legislation that continues to promote continuing education for elected tax collectors and actively opposes any legislation that would seek to eliminate the position of a legally elected tax collector for the collection of all legally permitted taxes. **(Submitted by BCATO Executive Board) NOTE: This resolution was discussed at the Fall Convention and consensus was provided to approve the resolution. We just need to formally approve the resolution at our Annual Convention.**

There will be a vote on these resolutions at the Annual Convention. The proposals would become approved or denied and sent to PSATS with or without a favorable vote of two-third of the members present.

Respectfully,
