

RESOLUTIONS COMMITTEE

March 3, 2021

5. RESOLVED, That PSATS seek legislation to amend the Non-Coal Surface Mining Act to require that all licensed quarries include a continuously operating certified permanent scale to accurately document material extraction in order to meet the 500 ton annual extraction requirement; and that even with the 500 ton extraction limit being met from an in-active site, that an inactive site have a maximum of five years before being required to renew its mining license.

BUCKS COUNTY

SUPPORT

6. RESOLVED, That PSATS seek legislation to amend the Sterling Act to eliminate the Philadelphia "Super Credit" on earned income taxes.

BUCKS COUNTY

SUPPORT

Motion to support by Mr. Halverson, seconded by Mr. Piersol.

7. RESOLVED, That PSATS seek legislation to amend Section 3205(a)(4) of the Second-Class Township Code to eliminate the cap on millage supporting fire services.

BUCKS COUNTY

SUPPORT

Motion to support by Mr. Means, seconded by Mr. McCleaf.

8. RESOLVED, That PSATS seek legislation to exclude government entities that own cemeteries from the definition of persons who must comply with registration and other requirements of the Burial Grounds Act and the Real Estate Licensing and Registration Act and extending the exemptions under Sections 301(b) and 304(a)(2) of the Burial Grounds Act to government entities that own cemeteries.

BUCKS COUNTY

SUPPORT

Motion to support by Mr. Halverson, seconded by Mr. Piersol.

9. RESOLVED, that PSATS seek legislation amending Section 6120 of Uniform Firearms Act to permit municipalities to regulate the outdoor use of firearms with respect to proximity to residential, public, and educational property lines from which firearms may be discharged; to permit municipalities to reasonably regulate the times during which firearms may be discharged outdoors; and to permit municipalities to prohibit the discharge of projectiles across property lines.

BUCKS COUNTY

NO ACTION

10. RESOLVED, That PSATS seek legislation to decriminalize cannabis usage in the Commonwealth of Pennsylvania.

BUCKS COUNTY

OPPOSE

11. RESOLVED, That PSATS seek legislation to provide funding for all municipalities that choose to:

- Complete Sustainable Pennsylvania Community Certification;
- Review existing municipal land development ordinances to enact legislative changes that will reduce carbon emissions and greenhouse gasses; and
- Conduct a review of municipal operations to implement policies that reduce carbon emissions and greenhouse gasses.

BUCKS COUNTY

NO ACTION

12. RESOLVED, That PSATS seek legislation to prohibit discrimination in areas of employment, housing, and public accommodations based on sexual orientation, gender identity, or expression.
